

Post Family Pavilion - Parker Mill Park

The Parker Mill County Park is one of the most popular and attractive parks in the Washtenaw County system, comprised of 27 acres along Fleming Creek and the Huron River. It includes the restored 19th century grist mill and offers picnic sites, trails and nature programs. The post Family Pavilion will serve as a destination along the nature trail loop and will provide a venue for educational sessions and presentations.

Green and Sustainable Building Features:

Daylighting:

- The roof opens at the center, providing additional daylight, and eliminating the need for electric lighting.

Local Materials:

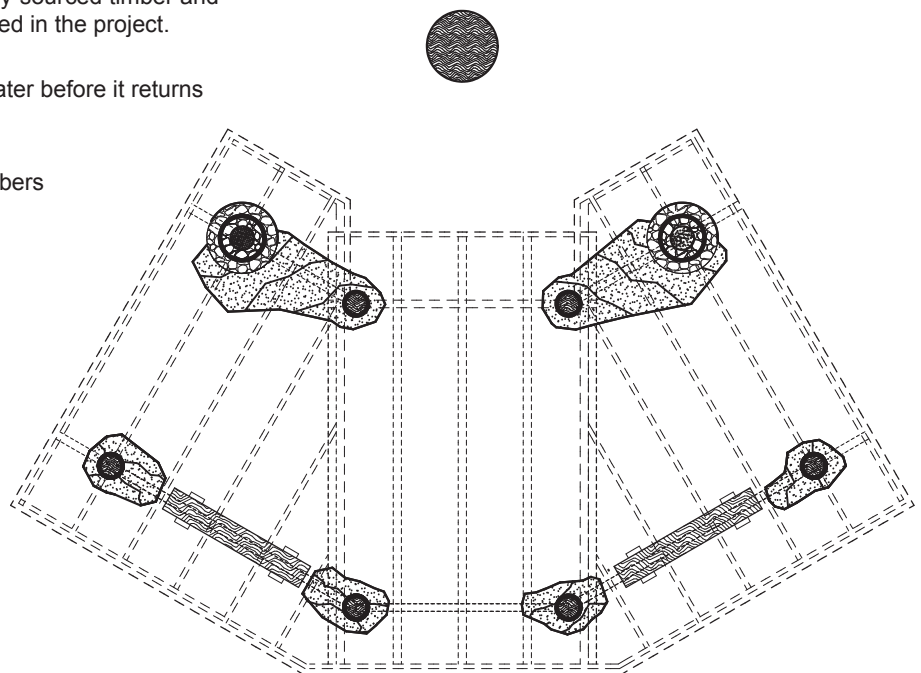

- River rock, native plants, and locally-sourced timber and lumber are some of the materials used in the project.

Water Efficiency:

- The green roof helps to filter rainwater before it returns to the watershed.

Low-Emmitting Materials:

- Low-VOC Sealer for all wood members
